# NSS COLLEGE PANDALAM

### INTERNAL QUALITY ASSURANCE CELL

#### **INTRODUCTION**

N.S.S. College, Pandalam is one among the three premier institutions of higher education, established by the Nair Service Society, the leading educational agency and social organization. The founder, the Late Padmabhooshan Mannathu Padmanabhan was a great visionary and social reformer who believed that education is the most effective means of social reform. The college keeps its tradition and identity in the higher education scenario through its vision "Sreyohi Jnanam Abhyasath". The college is moving forward with a mission to educate and illuminate the young generation with values and tradition. The college was established in the month of February 1949 and started functioning as a second grade college in the year 1950 offering intermediate courses at the University of Travancore. More courses in the Degree and Post Graduate levels were introduced in the successive years and at present, with a total of sixteen Degree Courses and seven Post Graduate Programmes and the research programme in Zoology, the college is recognized as a special grade Post Graduate College affiliated to University of Kerala. In its long history that spans over 65 years, the College has been trying to cater to the academic needs of the student community along with the social and cultural warmth that it has been spreading to the larger world outside. The institution has an impeccable record of providing value added and value-based education displaying sensitivity to the changing educational, social and market demands. Research being the most potential area of higher education, the college takes maximum care and attention to promote a research culture among the faculty and students. The college concentrates on total quality through a holistic approach in its academic pursuit. The College provides quality education by assuring a peaceful, learner friendly, progressive, and democratic ambience in fulfilling its noble vision, mission, and goal. College was recognized by the Department of Science & Technology, Govt. of India for financial assistance under FIST Scheme to improve facilities in the PG Science departments.

#### Vision

Imparting knowledge to gain wisdom and to liberate the individual from all bondages to build a better world. "Sreyohi Njanam Abhyasath" - Knowledge indeed is superior to constant practice.

#### Mission

Educate and illuminate the young generations to build a strong and progressive nation where the rich values and traditions are upheld.

#### **Aims and Objectives**

This college is established to provide educational opportunities to the young men and women of our country irrespective of their religion, caste or creed. The college aims to provide integral personality development-oriented education and training, which will enable the students-

- to think freely and to be firm on principles
- to preserve and encourage noble values
- to develop good character and personality and become citizens who are assets to society.

Through academic excellence, development of skills and character formation, the college hopes to produce committed and inspired young men and women with a holistic approach to life.

#### **Institutional Strategies**

- Quality education through rigorous curricular transactions, obligatory valueadded programmes, EHV modules, talent search, soft skill development and placement services.
- Mandatory systematic and scientific initiation into the respective discipline at the entry level.
- Synergy of curricular and co-curricular activities and Flexibility in transactional strategies.
- > Horizontal mobility through value added programmes.
- Programmes for advanced learners to promote their pursuit of excellence
- > Promotion of Research, consultancy and extension.
- Symbiotic relationship with outside academic community through 'Collegium, the domain of debate and discourse'.
- > Remedial coaching for slow learners and under-achievers.
- > Academic and administrative accountability.

In the academic year 2019-2020, 71 teachers took part in various faculty enrichment and professional development programmes, both online and in-person, aimed at improving their professional skills and teaching strategies. The pandemic waves during the end of the academic year 2019-2020, had a profound impact on the field of higher education, forcing a sudden shift to online teaching and learning. Many educators, unfamiliar with digital platforms and tools, faced challenges in adapting to the new mode of instruction. Recognizing this need, IQAC at NSS College Pandalam organized a Two-Day Online Workshop on "Creation of Instructional Videos and Recording." The workshop aimed to equip teachers with the necessary skills to create effective digital content for online classes. It turned out to be a success, enabling faculty members to enhance their teaching methodologies and navigate the digital transition smoothly. During the academic year, the faculty members of the college were highly involved in professional development initiatives aimed at enhancing their teaching practices and keeping abreast of the latest educational advancements. A total of 63 teachers participated in a Two-Day Online Workshop focused on the Creation of Instructional Videos and Recording organized by the IQAC of the college. Additionally, 13 teachers attended refresher courses, 9 were part of orientation or induction programs, and 3 teachers engaged in training programmes, offering them valuable opportunities to explore specialized topics and innovative teaching methodologies. By actively engaging in these programmes, the faculty members demonstrate the college's strong commitment to continuous learning and professional growth. This focus on enhancing educators' skills directly contributes to the academic excellence of the institution and elevates the quality of education provided to students, fostering a more enriching and dynamic learning environment.

#### CONCLUSION

As we reflect on the past year's journey, N.S.S. College, Pandalam, is filled with pride and gratitude for its significant accomplishments. Our relentless pursuit of academic excellence,

social responsibility, and transformative learning has yielded remarkable results.By empowering students from diverse backgrounds, we have witnessed exceptional achievements and meaningful contributions to society. Our core values – social responsibility, academic excellence, transformational learning, positive attitude, and freedom of thought – guide our commitment to holistic education. Throughout the year, our community has worked collaboratively to promote intellectual curiosity, critical thinking, and creativity. With a focus on experiential learning, community engagement, and interdisciplinary collaboration, we have prepared students to navigate complex challenges. As we look to the future, N.S.S. College remains dedicated to nurturing responsible citizens, critical thinkers, and visionary leaders. We are poised to build on our momentum, driven by our core values and commitment to excellence. With appreciation for our faculty, staff, students, and stakeholders, we celebrate another year of growth, innovation, and service to our community, inspiring a brighter future for all.

Coordinator, IQAC.
