

FEEDBACK REPORT
2018-19

FEEDBACK REPORT OF TEACHERS (2018-19)

An annual survey was conducted to assess the opinion of teachers regarding UG and PG courses offered in the college. In each academic year teachers were asked to complete a printed feedback forms provided by the college IQAC. Teachers were asked to express their opinion regarding various aspects of course for providing recommendations to the University for Syllabus Revision.

Design of Feedback

The feedback collected included rating of key services on a five point scale:

1. Strongly Disagree 2. Disagree 3. Neutral 4. Agree 5. Strongly Agree

Areas assessed were;

1. Clarifying the objectives of course through PTA meeting
2. Support of the curriculum for improving previous skills and knowledge of students
3. Appropriateness of the goal of the course designed
4. Support of teachers
5. Attainment of expected outcome.
6. Overall rating

Analysis of feed back

Feedback was sorted and the opinion obtained for each parameter is analyzed with grade points.

The opinion of teachers for each parameter are Measured in five point scale shown below

0-Strongly disagree	1-Disagree	2- Neutral	3-Agree	4-strongly Agree
---------------------	------------	------------	---------	------------------

After analyzing the feedback of teachers it was observed that majority of the teachers expressed their opinion that various aspects of curriculum were clearly explained to parents in the PTA meeting conducted every year which helps to clarify the doubts and anxiety of parents regarding the course where as they recommend for improving the effectiveness of the course to support the skill and knowledge of the ward. Majority of the teachers are satisfied with the structure of the course but expressed their opinion for requires further improvement.

Collaborative projects, student centred assignments, opportunity to use online resource were identified by the teachers as strength of the curriculum whereas lengthy syllabus, less importance of practice teaching, limited number of practical classes were ranked as the weakness of the curriculum. Majority of the teachers were recommended for timely syllabus updation and for including practical session in the curriculum for improving the soft skills of the students in such a competitive environment.
