

NSS COLLEGE PANDALAM
PROGRAMME OUTCOMES (PO's)

Undergraduate Programme Outcomes - BA/BSc/BCom

PO1	Critical Thinking: Challenge assumptions, evaluate evidence, and consider multiple perspectives to inform decisions and actions
PO2	Expert problem-solving: Leveraging in-depth domain knowledge to identify, define, and investigate complex problems, and develop effective solutions through analytical and creative thinking.
PO3	Communication: Convey and receive messages through verbal, written, and digital means, facilitating connection and understanding among people, ideas, and resources in the English language or discipline-specific terminology.
PO4	Responsible Citizenship: Show compassion and social awareness by actively engaging with community issues, staying informed, and taking thoughtful action to drive positive change.
PO5	Environment and Sustainability: Understand the impact of technology and business practices in societal and environmental contexts and sustainable development
PO6	Social Interaction: Elicit views of others, mediate disagreements and help reach conclusions in group settings.
PO7	Computational Thinking: Develop data-driven insights by leveraging computing technology and tools to collect, analyze, and interpret data, translating it into meaningful abstract concepts and informed decisions
