N.S.S COLLEGE, PANDALAM

Research Policy

Introduction

The college is keen in quality research that promotes innovation, address societal challenges, and inculcate academic excellence. The research policy of the college is designed to support and monitor the research activities of faculty and students, ensuring alignment with the mission and ethical standards of the institution.

Objectives

- Promote and maintain high standards of integrity and accountability in the conduct of academic research
- Embed and endorse a culture of honesty and transparency in research activities of the college.
- Ensure a free academic environment to conduct research, to teach, to speak and to publish, subject to the norms and standards of scholarly inquiry.
- Foster collaborations with other institutions to leverage diverse expertise and resources.
- To establish MOUs with other institutions for exchanging research information, for sharing research facilities, for organizing joint conferences and to publish joint research papers.
- Uphold the ethical standards in research practices, ensuring integrity and transparency.
- Identify and inform researchers about the research opportunities announced by different academic, research, industry or government organizations
- Generate awareness on Intellectual Property Rights and encourage applying for patents.
